FAQ For FTER（FTC 11697）2021 Fall Java Class
2021秋季Java课程问答

Q: Is there anything we need to do to set up our computer before starting class?
　开课前是否需要安装/设置电脑？
A: Yes, we will have videos that will guide you through the setup process for both Windows and macOS. They will go over how to install the JDK and Eclipse IDE that are required to start programming in Java.
　我们会提供Windows和Mac系统的安装说明视频，详细解释Java JDK 和Eclipse的软件安装。

Q: How long will each class be?
　每节课的上课时间？
A: We have 10 weekly 1 ½ hour classes with an additional 1 hour of Discord support time every week. So totally it will be 15 hours class time, and 10 hours discord time.
　一周一次1.5小时课程，共10周， 合计15小时。每周提供1小时discord 在线答疑时间, 合计10小时 。

Q: What if a student needs more help outside of class?
　如果学生课后需要帮助呢？
A: Students can always email us, or attend the weekly discord support times if he or she needs help. All materials are available to students through Google Classroom for independent review if needed.
　学生可以直接发邮件给老师，或者参加我们每周的discord答疑时间，全部的课程内容都在谷歌教室。

Q: Are there any prerequisites to the project courses?
　参加项目班有什么要求？
A: We prefer students who have taken Java Beginner. Then we know for certain what your kid has or hasn't learned. Of course, if a student has a solid understanding of the topics covered in Java Beginner, we'll consider letting them take the course after the interview.
　学生上过Java初级班班后才可参加项目班。当然如果学生已经具备了同等的知识，经过面试后老师可以推荐参加。
